## Safeguarding Children and Vulnerable Adults Policy

### 1. **Introduction**

1.1 At East Lancashire Learning Group (ELLG) safeguarding permeates all aspects of college life and is everyone's responsibility, East Lancashire Learning Group (ELLG) forms part of a wider safeguarding system. To fulfil our responsibilities, we adopt a learner-centred approach. This means that:

- Safeguarding systems and procedures are oriented around the wishes, feelings and best interests of learners;
- We seek to give learners a 'voice', listen to what they say, take them seriously and work collaboratively to meet their needs.

East Lancashire Learning Group (ELLG) aims to provide a positive, stimulating, caring and safe environment which promotes the social, physical, emotional and moral development of each learner. We work hard to maintain a safeguarding ethos and culture whereby learners feel safe and are safe whilst at college.

### 2. **Purpose**

2.1 An effective safeguarding policy is one which provides clear direction to staff and others about expected codes of behaviour in dealing with child protection and vulnerable adult issues. An effective policy also makes explicit East Lancashire Learning Group (ELLG) commitment to the development of good practice and sound procedures. This ensures that child protection and vulnerable adult concerns and referrals may be handled sensitively, professionally and in ways that prioritise the needs of the learner.

### 3. **Legislative/Quality Framework**

3.1 This policy and procedures have been written and will be implemented in-line with the safeguarding and child protection procedures established by Lancashire Children's Safeguarding Assurance Partnership.  
(<https://www.lancshiresafeguardingpartnership.org.uk/>). It is also written in accordance with legislation established by the Children Acts 1989 and 2004, the Education Act 2002 and other core legislation and guidance listed in 3.3.

3.2 The protection of vulnerable adults contributes to the wider safeguarding agenda and this policy operates in conjunction with statutory guidance for reporting concerns.  
(<https://www.lancshiresafeguardingpartnership.org.uk/>).

### 3.3 Additional Legislation and Guidance (please note this list is not exhaustive).

- Working Together to Safeguard Children (2023)
- Keeping Children Safe in Education (2025)
- What to do if you're worried a child is being abused (2015)
- Information sharing - Advice for practitioners providing safeguarding services to children, young people, parents and carers (2024)
- Disqualification under the Childcare Act 2006
- Counter Terrorism and Security Act 2015 (inc. the 'Prevent Duty' 2023)
- Modern Slavery Act 2015
- Education inspection framework 2024
- Care and Support Statutory Guidance 2022 (under review)
- Mental Capacity Act 2005
- Human Rights Act 1998
- Care Act 2014
- ADSS 2005 (Safeguarding Adults National Framework of Standards)
- The Equality Act 2010 (Including the Public Sector Equality Duty)

## 4. **Scope**

4.1 This policy applies to everyone in East Lancashire Learning Group (ELLG) including all learners, staff and subcontractors and it should be read, understood and adhered to, alongside the policies and procedures listed in Section 12.

## 5. **Definitions**

### 5.1 **Children**

Child(ren) means everyone under the age of 18.

### 5.2 **Vulnerable Adults**

Vulnerable adults are those 18 years or over who are or may be eligible for community care services, and whose independence and well-being would be at risk if they did not receive appropriate health and social care support.

Adult safeguarding is about preventing and responding to concerns of abuse, harm or neglect of adults.

### 5.3 Safeguarding & Welfare

National statutory guidance 'Working Together to Safeguard Children' (2023) defines safeguarding and promoting welfare as:

- Providing help and support to meet the needs of children as soon as problems emerge protecting children from maltreatment, whether that is within or outside the home, including online
- Preventing impairment of children's mental and physical health or development
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- Promoting the upbringing of children with their birth parents, or otherwise their family network through a kinship care arrangement, whenever possible and where this is in the best interests of the children
- Taking action to enable all children to have the best outcomes in line with the outcomes set out in the Children's Social Care National Framework.

Therefore, 'safeguarding' includes but is about much more than 'child and vulnerable adult protection'. However, all staff are aware of our responsibility to act in order to **protect** children and vulnerable adults from various potential sources and types of harm:

- Neglect
- Physical abuse
- Sexual abuse
- Emotional abuse
- Bullying, including online bullying and prejudice-based bullying
- Racist, disability and homophobic or transphobic abuse
- Gender based violence/violence against women and girls
- Child-on-child abuse, such as sexual violence and harassment
- Radicalisation and/or extremist behaviour
- Child sexual exploitation and trafficking
- Child criminal exploitation, including county lines
- Serious violent crime
- Risks linked to using technology and social media, including online bullying; the risks of being groomed online for exploitation or radicalization; and risks of accessing and generating inappropriate content, for example 'sexting'
- Teenage relationship abuse
- Upskirting

- Substance misuse
- Issues that may be specific to a local area or population, for example gang activity and youth violence
- Domestic abuse
- Female genital mutilation
- Forced marriage
- Fabricated or induced illness
- Poor parenting
- Homelessness
- So-called honour-based violence or faith-based violence
- Other issues not listed here but that pose a risk to children, learners and vulnerable adults

All staff should be aware that children may not feel ready or know how to tell someone that they are being abused, exploited, or neglected, and/or they may not recognise their experiences as harmful. For example, children may feel embarrassed, humiliated, or being threatened. This could be due to their vulnerability, disability and/or sexual orientation or language barriers. This should not prevent staff from having a professional curiosity and speaking to the Safeguarding Team if they have concerns about a child. It is also important that staff determine how best to build trusted relationships with children and young people which facilitate communication.

#### 5.4 What college staff should look out for - Early help

Any child or vulnerable adult may benefit from early help, but all college staff should be particularly alert to the potential need for early help for a child or vulnerable adult who:

- is disabled or has certain health conditions and has specific additional needs;
- has special educational needs (whether or not they have a statutory Education, Health and Care Plan);
- has a mental health need;
- is a young carer;
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups or county lines;
- is frequently missing in education/goes missing from care or from home;
- has experienced multiple suspensions, is at risk of being permanently excluded from schools, colleges and in Alternative Provision or a Pupil Referral Unit.
- is at risk of modern slavery, trafficking, sexual and/or criminal exploitation;
- is at risk of being radicalised or exploited;

- has a parent or carer in prison, or is affected by parental offending;
- is in a family circumstance presenting challenges for the child, such as drug and alcohol misuse, adult mental health issues and domestic abuse;
- is misusing drugs or alcohol themselves;
- has returned home to their family from care;
- is at risk of 'honour'-based abuse such as Female Genital Mutilation or Forced Marriage;
- is a privately fostered child.

## 5.5 Abuse

Abuse is a form of maltreatment of a child or vulnerable adult, by another person or persons in a way that causes significant harm, or affects health, development or wellbeing. Somebody may abuse or neglect a child or vulnerable adult by inflicting harm, or by failing to act to prevent harm. Children or vulnerable adults may be abused in a family or in an institutional or community setting, by those known to them or, more rarely, by others. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. They may be abused by an adult or adults, or another child or children. This also includes child-on-child abuse, sexual violence and sexual harassment.

## 5.6 Child-on-child Abuse

All staff should be aware that children can abuse other children (previously referred to as peer on peer abuse) and that it can happen both inside and outside of college and online. It is important that all staff recognise the indicators and signs of child-on-child abuse and know how to identify it and respond to reports. All staff should understand, that even if there are no reports in college that it does not mean it is not happening, it may be the case that it is just not being reported. As such it is important if staff have any concerns regarding child-on-child abuse they should speak to their designated safeguarding lead (or deputy).

It is essential that all staff understand the importance of challenging inappropriate behaviours between peers, many of which are listed below, that are actually abusive in nature. Downplaying certain behaviours, for example dismissing sexual harassment as "just banter", "just having a laugh", "part of growing up", or "boys being boys", can lead to a culture of unacceptable behaviours, an unsafe environment for children and in worst case scenarios a culture that normalises abuse leading to children accepting it as normal and not coming forward to report it.

Child-on-child abuse is most likely to include, but may not be limited to:

- Bullying (including cyberbullying, prejudice-based and discriminatory bullying);
- Abuse in intimate personal relationships between peers;
- Physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm (this may include an online element which facilitates, threatens and/or encourages physical abuse);
- Sexual violence, such as rape, assault by penetration and sexual assault; (this may include an online element which facilitates, threatens and/or encourages sexual violence)
- Sexual harassment, such as sexual comments, remarks, jokes and online sexual harassment, which may be standalone or part of a broader pattern of abuse;
- Causing someone to engage in sexual activity without consent, such as forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party;
- Consensual and non-consensual sharing of nudes and semi nudes images and or videos (also known as sexting or youth produced sexual imagery);
- Upskirting, which typically involves taking a picture under a person's clothing without their permission, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm;
- Initiation/hazing type violence and rituals (this could include activities involving harassment, abuse or humiliation used as a way of initiating a person into a group and may also include an online element).

## 5.7 Sexual violence and sexual harassment

Sexual violence and sexual harassment can occur between two learners of any age, sex, gender. It can also occur through a group of learners sexually assaulting or sexually harassing a single learner or group of learners. Learners who are victims of sexual violence and sexual harassment will likely find the experience stressful and distressing. This will, in all likelihood, adversely affect their educational attainment.

Sexual violence and sexual harassment exist on a continuum and may overlap; they can occur online and offline (both physically and verbally) and are never acceptable. It is important that all victims are taken seriously and offered support via the Safeguarding and Welfare Team. Reports of sexual violence and sexual harassment are extremely complex to manage and must be reported directly to the Designated Safeguarding Lead. It is essential that victims are protected; offered support by the Safeguarding and Welfare Team and every effort is made through liaising with curriculum to ensure their education is not disrupted. It is also important that other learners including adult learners and college staff are supported and protected as deemed appropriate by the Designated Safeguarding Lead or HR.

All staff should be able to reassure victims that they are being taken seriously and that they will be supported and kept safe. A victim should never be given the impression that they are creating a problem by reporting abuse, sexual violence or sexual harassment. Nor should a victim ever be made to feel ashamed for making a report.

It is important to explain that the law is in place to protect children and young people rather than criminalise them, and this should be explained in such a way that avoids alarming or distressing them.

(refer to ELLG Bullying and Harassment Policy)

## **6. Roles and Responsibilities**

College staff have no investigative role where child and vulnerable adult protection is concerned. This is a matter for police and children's and adult's social care. However, all college staff have a responsibility to provide a safe environment in which children and vulnerable adults can learn and all staff, including volunteers, have a responsibility to act to safeguard and promote children and vulnerable adult welfare.

Some people have specific and/or additional safeguarding responsibilities.

### **6.1 Governors**

Governors take seriously their responsibility under section 175 of the Education Act 2002 to safeguard and promote the welfare of children. Governors ensure they facilitate a whole school or college approach to safeguarding. This means ensuring safeguarding and child protection are at the forefront and underpin all relevant aspects of process and policy development. Ultimately, all systems, processes and policies will operate with the best interests of the child at their heart. Where there is a safeguarding concern, governors and college leaders will ensure the child's wishes and feelings are taken into account when determining what action to take and what services to provide. Systems should be in place, and they should be well promoted, easily understood and easily accessible for children and vulnerable adults to confidently report abuse, knowing their concerns will be treated seriously, and knowing they can safely express their views and give feedback.

The Governing Body monitors compliance with statutory requirements and identifies areas for improvement. At least annually the Designated Safeguarding Lead (DSL) will prepare a safeguarding report to be tabled at a full Governing Body meeting. Discussions will be recorded and any agreed and/or remedial action(s) documented and followed-through, formally and without delay.

The Governors have a responsibility to:

- The Governing Body must ensure that they comply with their duties under legislation. They must have regard to 'Keeping Children Safe in Education 2025', ensuring that policies, procedures and training in East Lancashire Learning Group (ELLG) are effective and comply with the law at all times.
- The Governing Body should have a senior board level (or equivalent) lead to take leadership responsibility for East Lancashire Learning Group (ELLG)'s safeguarding arrangements.

- The Governing body should ensure that there are appropriate policies and procedures in place in order for appropriate action to be taken in a timely manner to safeguard and promote children’s welfare.
- Ensure that a senior leader is appointed as the DSL and that this is explicit in the role holder’s job description and that there is always cover for this role.
- Ensure appropriate safer recruitment policies in accordance with Part three of KCSIE 2025 are in place
- The designated safeguarding lead should take lead responsibility for safeguarding and child protection (including online safety). This should be explicit in the role holder’s job description.
- Governing bodies and proprietors should be doing all that they reasonably can to limit children’s exposure to risks from East Lancashire Learning Group (ELLG)’s IT system. As part of this process, governing bodies should ensure East Lancashire Learning Group (ELLG) has appropriate filters and monitoring systems in place and regularly review their effectiveness.
- Ensure that the DSL and any deputies access and complete appropriate training which is regularly updated in-line with statutory guidance.
- Ensure that sufficient resources and time are allocated to enable staff to discharge their responsibilities, including support and supervision as required.
- Ensure all staff undergo safeguarding training at induction, updated regularly in line with Statutory guidance and **The Children's Safeguarding** Assurance Partnership (CSAP) guidance.
- Ensure appropriate monitoring and recording systems are in place.
- Ensure they undertake and complete their own mandatory training which includes online Child Protection, Government Prevent and Keeping Children Safe in Education.

A more detailed breakdown of Governor duties is available in KCSIE 2025

[Keeping children safe in education 2025](#)

## 6.2 The Principal

The Principal should ensure that:

- The policies and procedures adopted by the Governing Body, particularly concerning referrals of cases of suspected abuse, neglect and exploitation, are fully implemented and followed by all staff.
- The Principal receives appropriate child protection training which is regularly updated.
- Sufficient resources and time are allocated to enable the staff to discharge their

responsibilities which will help to create an environment where all staff and volunteers feel able to raise concerns about poor or unsafe practice in regard to children and will address any concerns sensitively and effectively in a timely manner in accordance with the agreed whistle blowing policies.

### 6.3 Designated Safeguarding Lead (DSL) & Deputies

#### **East Lancashire Learning Group (ELLG) Designated Safeguarding Lead is the Assistant Principal for Learner Experience.**

During term time the DSL or Deputies will always be available (in college hours) for staff in East Lancashire Learning Group (ELLG) to discuss any safeguarding concerns. The DSL and Deputy DSLs undertake training and refresher training in-line with statutory requirements recommendations.

The Designated and Deputy Safeguarding Lead role is described in Keeping Children Safe in Education 2025, Part two and Annex C and detailed below:

#### **Deputy Designated Safeguarding Leads**

All deputies are trained to the same standard as the designated safeguarding lead and the role should be explicit in their job description. Whilst the activities of the Designated Safeguarding Lead can be delegated to appropriately trained deputies, the ultimate lead responsibility for child protection (including online safety), remains with the Designated Safeguarding Lead, this lead responsibility should not be delegated

#### **Manage Referrals**

The Designated Safeguarding Lead is expected to refer cases:

- of suspected abuse and neglect to the local authority children's social care as required and support staff who make referrals to local authority children's social care
- to the Channel programme where there is a radicalisation concern as required and support staff who make referrals to the Channel programme
- where a person is dismissed or left due to risk/harm to a child to the Disclosure and Barring Service as required, and
- where a crime may have been committed to the Police as required. NPCC- When to call the police should help understand when to consider calling the police and what to expect when working with the police

#### **Work with others**

The Designated Safeguarding Lead is expected to:

- Act as a source of support, advice and expertise for all staff
- Act as a point of contact with the safeguarding partners
- Liaise with the Principal to inform her of issues- especially ongoing enquiries under section 47 of the Children Act 1989 and police investigations. This should include being aware of the requirement for children to have an Appropriate Adult. Further information can be found in

the Statutory guidance - PACE-Code-C-2019

- As required, liaise with the “case manager” (as per Part four) and the local authority designated officer(s) (LADO) for child protection concerns in cases which concern a staff member
- Liaise with staff (especially teachers, pastoral support staff, school nurses, IT technicians, senior mental health leads and special educational needs coordinators (SENCOs), or the named person with oversight for SEND in a college and senior mental health leads) on matters of safety and safeguarding and welfare (including online and digital safety) and when deciding whether to make a referral by liaising with relevant agencies so that children’s needs are considered holistically
- Liaise with the senior mental health lead and, where available, the mental health support team, where safeguarding concerns are linked to mental health.
- Promote supportive engagement with parents and/or carers in safeguarding and promoting the welfare of children, including where families may be facing challenging circumstances.
- Work with the Principal and relevant strategic leads, taking lead responsibility for promoting educational outcomes by knowing the welfare, safeguarding and child protection issues that children in need are experiencing, or have experienced, and identifying the impact that these issues might be having on children’s attendance, engagement and achievement at college.

This includes:

- Ensuring that East Lancashire Learning Group (ELLG) knows who its cohort of children who have or have had a social worker are, understanding their academic progress and attainment, and maintaining a culture of high aspirations for this cohort, and
- Supporting teaching staff to provide additional academic support or reasonable adjustments to help children who have or have had a social worker reach their potential, recognising that even when statutory social care intervention has ended, there is still a lasting impact on children’s educational outcomes.

### **Training, Knowledge and Skills**

The Designated Safeguarding Lead (and any deputies) undergo training to provide them with the knowledge and skills required to carry out the role. This training should be updated at least every two years. The Designated Safeguarding Lead should undertake Prevent awareness training.

In addition to the formal training set out above, their knowledge and skills should be refreshed at regular intervals, as required, and at least annually, to allow them to understand and keep up with any developments relevant to their role so they:

- Understand the assessment process for providing early help and statutory intervention, including local criteria for action and local authority children’s social care referral arrangements.
- Have a working knowledge of how local authorities conduct a child protection case conference and a child protection review conference and be able to attend and contribute to these effectively when required to do so

- Understand the importance of the role the designated safeguarding lead has in providing information and support to local authority children social care in order to safeguard and promote the welfare of children
- Understand the lasting impact that adversity and trauma can have, including on children's behaviour, mental health and wellbeing, and what is needed in responding to this in promoting educational outcomes
- Are alert to the specific needs of children in need, those with special educational needs and disabilities (SEND), those with relevant health conditions and young carers
- Understand the importance of information sharing, both within the school and college, and with the safeguarding partners, other agencies, organisations and practitioners
- Understand and support East Lancashire Learning Group (ELLG) with regards to the requirements of the Prevent duty and are able to provide advice and support to staff on protecting children from the risk of radicalisation
- Are able to understand the unique risks associated with online safety and be confident that they have the relevant knowledge and up to date capability required to keep children safe whilst they are online at college
- Can recognise the additional risks that children with special educational needs and disabilities (SEND) face online, for example, from bullying, grooming and radicalisation and are confident they have the capability to support children with SEND to stay safe online
- Obtain access to resources and attend any relevant or refresher training courses, and
- Encourage a culture of listening to children and taking account of their wishes and feelings, among all staff, and in any measures East Lancashire Learning Group (ELLG) may put in place to protect them.

### **Providing Support to staff**

The Designated Safeguarding Lead should support and advise staff and help them feel confident on welfare, safeguarding and child protection matters. This includes specifically to:

- Ensure that staff are supported during the referrals processes, and
- Support staff to consider how safeguarding, welfare and educational outcomes are linked, including to inform the provision of academic and pastoral support.

## 6.4 Individual Staff Responsibilities

### **The role of college staff**

- College staff are particularly important as they are in a position to identify concerns early, provide help for children/ vulnerable adults, and prevent concerns from escalating.
- All staff have a responsibility to provide a safe environment in which children and vulnerable

adults can learn.

- All staff should be prepared to identify children who may benefit from early help. Early help means providing support as soon as a problem emerges at any point in a child's life, from the foundation years through to the teenage years.
- Any staff member who has a concern about a child's or vulnerable adult's welfare should follow the referral processes set out by East Lancashire Learning Group (ELLG). Staff should expect to support social workers and other agencies following any referral.
- Every college should have a designated safeguarding lead who will provide support to staff to carry out their safeguarding duties and who will liaise closely with other services such as children's social care.
- The Designated Safeguarding Lead (and any deputies) are most likely to have a complete safeguarding picture and be the most appropriate person to advise on the response to safeguarding concerns.
- The Teachers' Standards 2012 state that teachers (which includes headteachers) should safeguard children's wellbeing and maintain public trust in the teaching profession as part of their professional duties.
- Existing staff are required to notify East Lancashire Learning Group (ELLG), via the Human Resource department, of any conviction, cautions, charges etc. made against them during their employment. Any decisions regarding their employment status will be made under the principles of the 'DBS and Rehabilitation of Offenders Policy' and statutory guidance. DBS checks will be verified every 3 years for those staff in roles with regular unsupervised contact with young people or vulnerable adults/vulnerable groups.
- All staff should read and understand the expectations of the 'staff code of conduct'.

### **What college staff need to know**

All staff should be aware of systems within their college which support safeguarding and these should be explained to them as part of staff induction. This should include the:

- Child protection policy;
- Behaviour policy;
- Staff Behaviour policy (called the staff code of conduct);
- Safeguarding response to children who are absent from education, particularly on repeat occasions and/or prolonged periods and
- Role of the designated safeguarding lead (including the identity of the designated safeguarding lead and any deputies)

Copies of policies and a copy of Part One of this document should be provided to staff at induction

All staff should receive appropriate safeguarding and child protection training which is: regularly updated. (including online safety which, amongst other things, includes an understanding of the expectations, applicable roles and responsibilities in relation to

filtering and monitoring) In addition, all staff should receive safeguarding and child protection (including online safety) updates (for example, via email, e-bulletins and staff meetings), as required, and at least annually, to provide them with relevant skills and knowledge to safeguard children effectively.

- All staff should be aware of their local early help process and understand their role in it
- All staff should be aware of the process for making referrals to children’s social care and for statutory assessments under the Children Act 1989, especially section 17 (children in need) and section 47 (a child suffering, or likely to suffer, significant harm) that may follow a referral, along with the role they might be expected to play in such assessments
- All staff should know what to do if a child tells them they are being abused or neglected. Staff should know how to manage the requirement to maintain an appropriate level of confidentiality. This means only involving those who need to be involved, such as the Designated Safeguarding Lead (or a deputy) and children’s social care. Staff should never promise a child that they will not tell anyone about a report of abuse, as this may ultimately not be in the best interests of the child.
- All staff should be able to reassure victims that they are being taken seriously and that they will be supported and kept safe. A victim should never be given the impression that they are creating a problem by reporting any form of abuse and/or neglect. Nor should a victim ever be made to feel ashamed for making a report.
- All staff should be aware that children may not feel ready or know how to tell someone that they are being abused, exploited, or neglected, and/or they may not recognise their experiences as harmful. For example, children may feel embarrassed, humiliated, or are being threatened. This could be due to their vulnerability, disability and/or sexual orientation or language barriers. This should not prevent staff from having a professional

curiosity and speaking to the designated safeguarding lead if they have concerns about a child. It is also important that staff determine how best to build trusted relationships with children and young people which facilitate communication.

***Breaching these rules may lead to disciplinary action***

**Online Safety:** It is essential that children and vulnerable adults are safeguarded from potentially harmful and inappropriate online material. Our whole college approach to online safety empowers you to protect and educate pupils, learners, and staff in their use of technology and establishes mechanisms to identify, intervene in, and escalate to the safeguarding and welfare team any concerns where appropriate.

The breadth of issues classified within online safety is considerable and ever evolving, but can be categorised into four areas of risk:

**Content:** being exposed to illegal, inappropriate, or harmful content, for example: pornography, fake news, racism, misogyny, self-harm, suicide, antisemitism, radicalisation, extremism, misinformation, disinformation (including fake news) and conspiracy theories.

**Contact:** being subjected to harmful online interaction with other users; for example: peer to peer pressure, commercial advertising and adults posing as children or young adults with the intention to groom or exploit them for sexual, criminal, financial or other purposes.

**Conduct:** online behaviour that increases the likelihood of, or causes, harm; for example, making, sending and receiving explicit images (e.g. consensual and non-consensual sharing of nudes and semi-nudes and/or pornography, sharing other explicit images and online bullying, and

**Commerce:** risks such as online gambling, inappropriate advertising, phishing and or financial scams. If you feel your pupils, learners or staff are at risk, please report it to the Anti-Phishing Working Group (<https://apwg.org/>).

**Filtering and monitoring** - Whilst considering our responsibility to safeguard and promote the welfare of children and provide them with a safe environment in which to learn, East Lancashire Learning Group (ELLG) has considered all that they reasonably can to limit children's exposure to the above risks from East Lancashire Learning Group (ELLG)'s IT system. This will be informed in part by the risk assessment required by the Prevent Duty. As part of this process, East Lancashire Learning Group (ELLG) ensures that it has appropriate filters and monitoring systems in place.

The DSL, supported by the Chief Information Officer (CIO) will take the lead to ensure all staff receive training on the expectations, applicable roles and responsibilities in relation to filtering and monitoring and have lead responsibility for understanding the filtering and monitoring systems and processes in place, which will be mapped against the DfE filtering and monitoring standards alongside the DfE's Cyber security standards for schools and colleges. In addition, ensure that East Lancashire Learning Group (ELLG) policies where relevant include information on appropriate filtering and monitoring on devices and networks.

**Useful resources**

- DfE’s filtering and monitoring standards: [filtering and monitoring standards](#)
- DfE’s plan technology for your school service: [Plan technology for your school](#)

- DfE’s Generative AI: product safety expectations to support schools and colleges to use generative artificial intelligence safely and explains how filtering and monitoring requirements apply to the use of generative AI in education. [Generative AI](#)

In addition East Lancashire Learning Group (ELLG) takes appropriate action to meet the DfE’s Cyber security standards for schools and colleges [Cyber security standards for schools and colleges](#) to help improve our resilience against cyber-attacks.

**All staff should read and understand the ELLG E-Safety Policy and complete mandatory E-Safety Training.**

## **7. Reporting a Concern**

Anyone who is concerned about a child’s or vulnerable adult’s welfare, or who believe that a child or vulnerable adult may be at risk of abuse, should pass any information to the Safeguarding and Welfare Team as soon as possible and no longer than 24 hours after the initial concern.

Details of how to do this are included in the accompanying procedures (Appendix 1).

*If a member of the Safeguarding and Welfare Team is not immediately available you should contact the Designated/Deputy Safeguarding Lead (DSL) or any member of the senior leadership team, including the Principal.*

*If contact cannot be made with any of the above, staff should contact Lancashire County Council **Children's Social Care Team**. Telephone **0300 123 6720** (8am - 8pm) or out of hours 0300 123 6722 (8pm - 8am) or Lancashire County Council **Adult and Community Care Services**, Telephone **0300 123 6720**, online: <https://www.lancashire.gov.uk/health-and-social-care/adult-social-care/safeguarding/adults>*

*If a child or vulnerable adult is in immediate danger, the Police should be notified or if they are in need of urgent medical attention an ambulance should be called.*

## **8. Allegations Against a Member of Staff**

- 8.1 Any allegation of abuse made against a member of East Lancashire Learning Group (ELLG) staff will be dealt with under guidelines contained in Part 4 of the document 'Keeping Children Safe in Education' September 2025. (Please refer to the flow chart in Appendix 3).
- 8.2 All allegations should be reported to the Director of Human Resources who will notify the designated safeguarding lead. An initial assessment of the allegation will be made in consultation with the Local Authority Designated Officer (LADO), Tim Booth; [tim.booth@lancashire.gov.uk](mailto:tim.booth@lancashire.gov.uk) / 01772 536694.
- 8.3 Any allegations of abuse made against the Principal will be dealt with by the Chair of the Governing Board.
- 8.4 East Lancashire Learning Group (ELLG) whistleblowing policy will also be accessible to all staff so that they can raise concerns about poor or unsafe practice, attitudes or actions of colleagues should the need arise.
- 8.5 Concerns may arise which do not meet the harm threshold in several ways and from a number of sources. For example: suspicion; complaint; or disclosure made by a child, parent or other adult within or outside of the organisation; or as a result of vetting checks undertaken.

It's important to share low level concerns to create and embed a culture of openness, trust and transparency in which East Lancashire Learning Group (ELLG)'s values and expected behaviour which are set out in the staff code of conduct are constantly lived, monitored and reinforced by all staff.

A low-level concern is any concern – no matter how small, and even if no more than causing a sense of unease or a 'nagging doubt' - that an adult working in or on behalf of East Lancashire Learning Group (ELLG) may have acted in a way that:

- is inconsistent with the staff code of conduct, including inappropriate conduct outside of work,

and

- does not meet the allegations threshold or is otherwise not considered serious enough to consider a referral to the LADO.

Examples of such behaviour could include, but are not limited to:

- being over friendly with children;
- having favourites;
- taking photographs of children on their mobile phone;
- engaging with a child on a one-to-one basis in a secluded area or behind a closed door; or,
- using inappropriate sexualised, intimidating or offensive language.

Low-level concerns about a member of staff should be reported to the HR Director/ designated safeguarding lead (or deputy). Where a low-level concern is raised about the designated safeguarding lead, it should be shared with the principal.

All low-level concerns should be recorded in writing by the HR Director in consultation with the designated safeguarding lead (or deputy). The record should include details of the concern, the context in which the concern arose, and action taken. The name of the individual sharing their concerns should also be noted, if the individual wishes to remain anonymous then that should be respected as far as reasonably possible. Records will be kept confidential, held securely and comply with the Data Protection Act 2018 and GDPR.

If the concern has been raised via a third party, the designated safeguarding lead/HR Director will collect as much evidence as possible by speaking:

- directly to the person who raised the concern, unless it has been raised anonymously;
- to the individual involved and any witnesses.

The information collected will help to categorise the type of behaviour and determine what further action may need to be taken. All of this will be recorded along with the rationale for their decisions and action taken.

Further guidance regarding low level concerns against a member of East Lancashire Learning Group (ELLG) staff will be dealt with under guidelines contained in Part 4 of the document 'Keeping Children Safe in Education' September 2025

## **9. Recording Action Taken, Feedback and Follow Up:**

- 9.1 All concerns, discussions and decisions made and the reasons for those decisions will be recorded centrally by the Safeguarding Team. Following the raising of a concern or a referral, the Safeguarding Team will provide feedback to staff in college on a **need to know** basis.
- 9.2 Everyone must take responsibility for following-up concerns that have been raised with the Safeguarding Team wherever:

- No feedback is forthcoming from them
- You do not feel listened to or taken seriously
- You are unhappy with the Safeguarding Team's response
- Nothing tangible changes for the better and/ or the situation deteriorates.

## **10. Information Sharing**

10.1 East Lancashire Learning Group (ELLG) adopts the information sharing protocols recommended in local and national guidance. Any requests for information sharing will be considered by the Designated Safeguarding Lead or Deputies who will comply with relevant guidance and college policies and procedure. Information sharing is vital in identifying and tackling all forms of abuse, neglect, and exploitation, and in promoting children's welfare, including in relation to their educational outcomes. Schools and colleges have clear powers to share, hold and use information for these purposes.

10.2 The designated safeguarding lead should be equipped to:

- Understand the importance of information sharing, both within East Lancashire Learning Group (ELLG), and with other schools and colleges on transfer including in-year and between primary and secondary education, and with the safeguarding partners, other agencies, organisations and practitioners;
- Understand relevant data protection legislation and regulations, especially the Data Protection Act 2018 and the UK General Data Protection Regulation (UK GDPR); and
- Be able to keep detailed, accurate, secure written records of concerns and referrals and understand the purpose of this record-keeping.

10.3 East Lancashire Learning Group (ELLG) will retain safeguarding and child protection records for children and vulnerable adults for a 10-year period following the academic year the initial referral was received.

10.4 The Data Protection Act 2018 and UK GDPR do not prevent the sharing of information for the purposes of keeping children safe. Fears about sharing information must not be allowed to stand in the way of the need to safeguard and promote the welfare and protect the safety of children.

10.5 All safeguarding data requests should be referred to the Safeguarding and Prevent Team.

## **11. Children who are absent from Education**

11.1 East Lancashire Learning Group (ELLG) has a responsibility to ensure that all staff are aware that children going missing, particularly repeatedly, can act as a vital warning sign of a range of safeguarding possibilities. Early intervention is necessary to identify the existence of any

underlying safeguarding risk and to help prevent the risks of a child going missing in future. Staff should be aware of and follow East Lancashire Learning Group (ELLG) unauthorised absence and children missing from education procedures.

- 11.2 In addition, East Lancashire Learning Group (ELLG) has a responsibility to work collaboratively with local schools, partner organisations and the Local Authority to safeguard learners.
- 11.3 On occasions where 14 to 16-year-old learners are on a programme of study at East Lancashire Learning Group (ELLG), East Lancashire Learning Group (ELLG) has a responsibility to inform named schools/Local Authority when the attendance or absence of a 14 to 16-year-old learner becomes a cause for concern so that the school can implement their own attendance or missing in education procedures.

## **12. Work Experience and Work/ Industry Placement**

- 12.1 Where learners are undertaking work and/or industry placements, East Lancashire Learning Group (ELLG) are required to take reasonable steps to assess the suitability of the placement and the effectiveness of the employer's risk management arrangements. The Work Placement and Health and Safety Team, in conjunction with the curriculum department organising work experience placements, should ensure that the placement provider has policies and procedures in place to protect children from harm.
- 12.2 It is the responsibility of all staff working with employers who provide training for our learners to report any concerns regarding their suitability as placement providers, regardless of the learner's age or mode of study.
- 12.3 These checks must be conducted in a timely manner and should be monitored throughout with any safeguarding concerns reported as described in this policy.
- 12.4 East Lancashire Learning Group (ELLG) Work Placement Team organising work experience placements should ensure that the placement provider has policies and procedures in place to protect children from harm. There should be a record of these.
- 12.5 Children's barred list checks via the DBS might be required on some people who supervise a child under the age of 16 on a work experience placement. East Lancashire Learning Group (ELLG) should consider the specific circumstances of the work experience. Consideration must be given in particular to the nature of the supervision and the frequency of the activity being supervised, to determine what, if any, checks are necessary. These considerations would include whether the person providing the teaching/training/instruction/supervision to the child on work experience will be:
- Unsupervised themselves, and
  - Providing the teaching/training/instruction frequently (more than three days in a 30- day period, or overnight).

- 12.6 If the person working with the child is unsupervised and the same person is in frequent contact with the child, the work is likely to be regulated activity relating to children. If so, East Lancashire Learning Group (ELLG) Work Placement Team will ask the employer providing the work experience to ensure that the person providing the instruction or training is not a barred person. East Lancashire Learning Group (ELLG) is not able to request that an employer obtains an enhanced DBS check with children's barred list information for staff supervising children aged 16 to 17 on work experience.
- 12.7 If the activity undertaken by the child on work experience takes place in a 'specified place', such as a school or sixth form college, and gives the opportunity for contact with children, this may itself be considered to be regulated activity relating to children. In these cases, and where the child doing the work experience is 16 years of age or over, the work experience provider e.g. school or sixth form college should consider whether a DBS enhanced check should be requested for the child in question. DBS checks cannot be requested for children under the age of 16.

### **13. Operation Encompass**

Domestic abuse is any incident or pattern of incidents of controlling, coercive, threatening, degrading behaviour, violence or abuse between those aged 16 and over who are, or have been, intimate partners or family members regardless of gender or sexuality.

The abuse can encompass, but is not limited to:

- Psychological
- Physical
- Sexual
- Financial/economical
- Emotional
- Harassment and stalking
- Online or digital abuse

Exposure to domestic abuse and / or violence can have a serious, long lasting emotional and psychological impact on children. In some cases, a child may blame themselves for the abuse or may have had to leave the family home as a result.

All staff and volunteers understand what domestic abuse is and the potential impact upon children and how this might be displayed.

The DSLs will: -

- Ensure that East Lancashire Learning Group (ELLG) has suitably trained Key Adult/s in order to fulfil its obligations under Operation Encompass. The key adult must be trained as a DSL or Deputy.
- Ensure that East Lancashire Learning Group (ELLG)'s commitment to Operation Encompass is

known throughout East Lancashire Learning Group (ELLG) community via the means of staff training, parental, letters, posters and East Lancashire Learning Group (ELLG) website

- College should provide an overview of Operation Encompass with the names of the Op Encompass leads and a link to the Op Encompass website(<https://www.operationencompass.org/>)

Operation Encompass is a police and education early information sharing partnership, enabling colleges to offer immediate support for children and young people experiencing domestic abuse and other traumatic experiences. The police with a college's trained Key Adult (DSL) share information prior to the start of the next college day after officers have attended a domestic abuse incident thus enabling appropriate support to be given, dependent upon the needs and wishes of the child.

Children experiencing domestic abuse are negatively impacted by this exposure; Domestic abuse has been identified as an Adverse Childhood Experience and can lead to emotional, physical and psychological harm. Operation Encompass aims to mitigate this harm by enabling immediate support, making a child's day better and giving them a better tomorrow. Children Missing from Education can be a potential sign of abuse or neglect including sexual exploitation, undergoing female genital mutilation, forced marriage or travelling to conflict zones. All staff and volunteers follow college procedures when a child misses education, particularly on repeat occasions to help identify the risk of abuse and neglect.

Operation Encompass provides an advice and helpline service for all staff members from educational settings who may be concerned about children who have experienced domestic abuse. The helpline is available 8AM to 1PM, Monday to Friday on 0204 513 9990 (charged at local rate).

#### **14. Critical Incident Procedure**

- 14.1 All staff should be familiar with the College's Critical Incident Procedure to help safeguard themselves and students. A critical incident is any major event that goes beyond normal day-to-day procedures, such as a serious fire, terror-related threat, or large-scale damage to College buildings or services.

If there is any risk to life, staff must call 999 immediately before following the wider Critical Incident Procedure.

#### **15. Monitoring and Review**

- 15.1 The policy will be reviewed annually by Assistant Principal for Learner Experience & Support.

#### **16. Management Responsibility**

Assistant Principal for Learner Experience has overall management responsibility for this policy. Day to day management responsibility for this policy has been devolved to the Safeguarding,

Prevent & Wellbeing Manager.

## Appendix 3: Procedure for Managing Allegations Against Staff

### It is alleged that:

#### A member of staff or volunteer in college has:

- behaved in a way that has harmed a child/vulnerable, or may have harmed a child/vulnerable adult;
- possibly committed a criminal offence against or related to a child/vulnerable adult; or
- behaved towards a child, children or vulnerable adults in a way that indicates he or she would pose a risk of harm to children or vulnerable adults
- behaved or may have behaved in a way that indicates they may not be suitable to work with children.

#### CONFIDENTIALITY REMINDER

### Report to Assistant Principal/HR Manager who acts as Case Manager (or Chair of Governors if Allegation is against the Principal)

- Case Manager begins timeline/record and ensures any immediate risk managed
- Without speaking to anyone else at this stage or investigating the matter, Case Manager contacts the local authority Designated Officer (LADO) to establish whether LADO notification and/or children's social care/or adult's social care/police referral is required (**LADO: Tim Booth, tim.booth@lancashire.gov.uk, 01772 536694**). Case Manager gathers any additional information as advised by LADO
